

# October 2025

During October, our teachers and students will continue their studies with fun themes such as: Pumpkins, Fall, Bats, and Fire Safety!

Our Creative Curriculum study will be going into Exercise this month! During this study our students will be learning about different kinds of exercise, how our bodies work when we exercise, what our bodies need in order to move and exercise, and how to stay safe when we exercise.

You may also inform the teacher of the changes you have noticed since the year began.

## HEALTH/SAFETY ALERT!

Water bottles must have tops that cover the mouthpiece in order to prevent the spread of germs to your child and others. Please make sure all items are labeled with your child's name. Thank you for your continued support regarding this matter.
