**Dear Parents.**

## Home / School Connection:

Please make sure all daily items are labeled. If something is not labeled we will kindly do it. (Please label morning and afternoon snacks as well) \*\* Please send in a family photo if you haven't already\*\*

## Back to school Picnic

**Saturday, September 6th from 11am-1pm**

Join us at the LPP West campus for food trucks, music, raffles, and fun! Family and friends are welcome!

## Illness:

To help prevent the spread of germs, please encourage your child to wash their hands of ten and to cough/sneeze into their elbow. Please remember if your child has had a fever of 100 degrees or more, the student should stay home for 48 hours after the temperature returns to normal without medication. If your child has vomited or had diarrhea, he/she should also stay home until 24 hours after the last episode. If a child comes to school with 2 or more cold like symptoms they will be sent home. So, please if you see your child is displaying cold like symptoms please do not give them medication and send them to school. Remember many of them can tell us if they had yummy or not so yum my medicine. By limiting the exposure of the germs in the school, we can hope to have a healthy school year.

## Friendship fruit Salad

**On Wednesday, September 17th** we are doing our Friendship Fruit Salad. We kindly ask that everyone sends in their child's favorite store-bought fruit. We will put our fruits into a big bowl to represent our kindness, caring words, sharing, hugs, and various other elements that make a "Happy Fruit Salad Community." What a delicious way to demonstrate how our unique individuality can combine with others' characteristics to make a strong community! We ask that all fruit is brought in by Tuesday the 16th.
