THE LEARNING CENTER
August 1st 2020

Dear Parents,

Hard to believe our summer camp is quickly coming to an end. We have had such a fun and amazing summer!

School Supplies:

School supply list was sent home and is due by Friday, August 14th. Please make sure all items are labeled or the bag that the supplies are brought in is labeled, so the teachers know who brought in the supplies.

Back to School COVID:

- Lunch must be in a wipeable surface no fabric.
- Water cup with covered straw/lid
- All sheets and blankets will remain on TLC campus and will get washed weekly.
- Temperature checks taken at arrival and in the afternoon.
- If sent home must stay home 72 hours and can return when symptom free.
- TLC is fogged nightly
- We had Air scrubbers installed which removes contaminants from the air.

**Please keep your child home if you or anyone in your household is displaying COVID symptoms. **

Registration / Re-enrollment Documents:

All Re-enrollment papers have been sent home. For some reason if you need another copy please let the office know. The annual registration fee has been billed to your account and is due by Friday, August 7th. If your child is going into VPK and have not turned in the VPK certificate please stop by the office as soon as possible.

Community Outreach:

August 12th we will be having our Annual Color Walk. We ask that parents donate school supplies, which will be donated to local Foster Children. There will be boxes set outside the VPK Front Door, Two's/Three's Gate and Office Door.

First Day of School:

On the first day of school the students will start exploring and learning all of their new classroom rules and schedule. Please remember that our learning day starts at 9:00am so we are asking that all students arrive to class by 9:00am if you arrive on campus after 9:00am please bring your child to the office. Drop off ends at 9:30 am unless other arrangements have been made with the office staff.

We Love Our TLC Families!!

We would like to thank all of our TLC Families for supporting us during these unforeseen times. It truly means so much to us and our staff! Please know we are taking this day by day and doing everything we can to help keep our staff and children safe and healthy!
