JANUARY 2, 2021

Dear Parents,

Let's Get Down to Academic Business!

January is the month where we review past accomplishments, and proceed with goals and objectives for the second half of the school year.

Do you want to build a Snowman?

Easy Fake Snow Recipe:

Ingredients:

- 3 cups baking soda
- 1 cup white conditioner

Directions:

Mix the 1 cup conditioner
With 3 cups baking soda. Mix until
well blended and moldable
Texture is achieved.
Snow will be a little cold... Brrrr

OUR VALENTINE LOVE VINE STARTS NOW!

Please make, or purchase a Valentine card and use it to write a love note to your child. All cards are due by 1/29.

Illness Season

We are cleaning and sanitizing the classrooms and bathrooms very well to keep the illnesses away from our school. Please help by staying home with your child if you suspect that either of you are sick. We will be strictly enforcing our sick policy in an effort to keep all students and staff healthy! Thank you for your support and understanding.

January 23rd is Career Day!

Unfortunately due to COVID, we have to change the way we do our Career day. This year each classroom will pick a career and they will make A display that will have information on it so the classes can go around and learn about different careers and community helpers. We will also dive deeper into different careers and community helpers by reading different books from the library.

Time to Practice Writing from the Heart!

Send Valentine's Cards with your child's name in the "from" section only. This will be a great writing activity in prep for Valentines Day! (Example- From: Larry)

Our 7th Annual Health Heart Marathon @ TLC!

During February, we will host our 7th Annual Healthy Heart Marathon at TLC. More info to come!

Clothes Study

Starting Monday, January 25th we will start our study on Clothes. Typically during this study we doing a clothing drive but due to COVID we find that it is best that we do not do it this year. We ask that instead you still donate clothes to a local organization and have your child(ren) help with the process. You can discuss fabric, colors, buttons, snaps, zippers, and even weigh the clothes that you are donating! We would love to see pictures of you and your family engaging in our Clothes Study at home.
