The Director's Message:

I would like to take the opportunity to welcome back all of our returning TLC families, as well as those of you who are new to us this year! The staff is thrilled and looking forward to an outstanding school year and we know it will be the best one yet given the circumstance! We are ready for the awesome task of preparing all students to be successful learners. This year will be filled with numerous learning opportunities for our students, as well as our parents. TLC takes great pride in establishing an atmosphere that invites its valued family members to be a part of the educational process. Throughout the year, parents are provided with many opportunities to participate in the education of their child. We can't wait to see what this year will bring! Ms. Gayle
