**"November 19th is Teacher-Student Thanksgiving at The Learning Center!"**

Dear Parents,

The themes of this month will allow us to celebrate members of our family, culture, practice healthy habits and enjoy a Thanksgiving tradition with our TLC students! Did you know that the Mayflower was a ship that sailed, not a flower that grows during the month of may? Do you know what Indian corn is and how it looks? Do you know that Native American used arrowheads, and they were very productive with the land? This month, we will discuss general, age appropriate facts about the traditions of Pilgrim and Native American versus our traditions today. How did families eat back then? How do we find food today?

**TLC HELPING HANDS: Our can food drive will be held from November 3-14th. Drop bags will be found in each class.**

**Teacher-Student Thanksgiving!**

Thanksgiving lunch will be served to students and teachers on 11/19th for \$5 per person. A menu will be sent via email.

### HEALTH/SAFETY WEEK IN PRACTICE AT TLC!

There are many ways to maintain good health outside of exercising and eating fruit and vegetables. We have noticed that the majority of the TLC Parents have complied with our health and safety practices; cups are being sent to school with tops covering the mouthpiece. We are "thankful" for your continued support! Our goal is to keep our students safe from communicable diseases.
