

Milk Consent Form

With being an APPLE Accredited Preschool we are required to offer Milk to students to ensure that the children are getting the recommended milk intake. We will be providing whole milk to children under the age of 2 and 1% to children over 2. If you believe your child gets the recommended amount at home or do not want your child to receive milk while at The Learning Center Preschool, please let us know below. If you would like your child to receive milk while at school, it will be during Morning Snack and Lunch.

The Learning Center Preschool Milk Consent

- I would like my child to receive milk while at The Learning Center Preschool
- I decline my child receiving milk at The Learning Center. I believe my child gets the recommended amount of milk while at home.
