

Dear Parents,

This letter is to remind you that The Learning Center Preschool is a Peanut and Tree Nut free facility. We are asking that you do not send your child to school with any sort of Peanuts or Tree Nuts. If you send your child to school with a Sunflower butter will you please just kindly write a note to the teacher. If any sort of Peanut or Tree nut is sent to school we will not be able to serve it to your child. There are children here at The Learning Center who are have Peanut and Tree Nut allergies. This is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking your help to provide the students with a safe school environment. Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child that will be eaten in the classroom. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support of these procedures. Please complete and return this form so we are certain you have received this information. Please contact me if you have any questions.

Ms. Gayle
